THE LIVING LEGACY

Disney Celebrates The 200th Anniversary Of Our Constitution

We've decked the halls of Liberty Square to mark the 200th birthday of the U.S. Constitution. Inside the Hall of Presidents are displays exhibiting the Declaration of Independence, pages from the U.S. Constitution, period costumes, museum pieces from American colonial life, and much more.

All around Liberty Square are displays – including an exact replica of the famous Liberty Bell – which tell the story of how the individual states of America united under one constitution.

Check inside for entertainment times and places including the "All America Parade" and the fully-staged production, "America the Musical."
